## **Never Forget You**

## **Noisettes**

Watcha drinking? Rum or whiskey? Now won'tcha have a Double with me?

I'm sorry I'm a little late
I got your message by the way
I'm calling in sick today
So let's go out for old time's sake

I'll never forget you They said we'd never make it My sweet joy Always remember me

We were mysterious And you were always wearing black I was so serious You know my boyfriend's mother Nearly had a heart attack

I'm sorry I'm a little late You know the stripes on a tiger Are hard to change

I know this world feels Like an empty stage I wouldn't change a thing So glad you're back again

I'll never forget you They said we'd never make it My sweet joy Always remember me

I'll never forget you At times we couldn't shake it You're my joy Always remember me

We just got swallowed up You know I didn't forget you We just got swallowed up

Well, we just got swallowed up But you love that I didn't forget you We just got swallowed up By the whole damn world

Watcha thinking?
Did you miss me?
I borrowed your silver boots
Now if you'd just let me
Give them back to you

I'll never forget you
They said we'd never make it

My sweet joy Always remember me

I'll never forget you Although at times we couldn't shake it You're my joy Always remember me

Don't you know that you're my joy Always remember me Don't you know that you're my joy Always remember me
