

Feel Good

Nolwenn Leroy

I don't know you very well
I'll be the first to admit
I don't recall the situation
I just remember what I felt

All you do is make me Feel Good
In a way I've never felt before
Now I can't stop thinking of you
And I have a funny feeling
That you feel the same way too

It's almost too good to be true
It's something straight out from Hollywood
It's only making sense inside me
And I don't know what to make of it

All you do is make me Feel Good

In a way I've never felt before
Now I can't stop thinking of you
I'm not dancing by myself
But I've actually been singing in the rain

Ohoo.
