

Say You Say Me

Nolwenn Leroy

Say you, say me, say it for always, that's the way it should be
Say you, say me, say it together, naturally

I had a dream I had an awesome dream
People in the park playing games in the dark
And what they played was a masquerade
And from behind of walls of doubt a voice was crying out

Say you, say me, say it for always, that's the way it should be
Say you, say me, say it together, naturally

As we go down life's lonesome highway
Seems the hardest thing to do is to find a friend or two
A helping hand - Some one who understands
That when you feel you've lost your way
You've got some one there to say "I'll show you"

Say you, say me, say it for always, that's the way it should be
Say you, say me, say it together, naturally

So you think you know the answers - Oh no
'Couse the whole world has got you dancing
That's right - I'm telling you
It's time to start believing - Oh yes
Believing who you are: You are a shining star

Say you, say me, say it for always, that's the way it should be
Say you, say me, say it together, naturally
Say it together... naturally.
