

Dead Bob

NoMeansNo

Quiet es a mouse
Gentle es a lamb
Happy es a clam
Dead es a...
Doorknob

Roses am red
Violets are blue
I hung myself
So fuck you

DEAD BOB

Button up your overcoat
When the skies are gray
Put a rope around your neck
And kick the chair away
My father was of the sky
My mother was of the earth
And I am a stupid cringing
Ignorant fucking little goof

DEAD BOB

Everyone is so polite
So completely awfully nice
I'm going to get a butcher knife
And cut you all a juicy slice
Mary had a little lamb
And the she had some veal
She stuck her finger down her throat
And threw up...
Everything

I will leave a little note
Hanging from a knotted rope
Please excuse my thoughtlessness
I am sorry for the mess

ARE YOU HAPPY NOW?
