

# I Am Wrong

NoMeansNo

I know What i know  
I'm no hero  
Say yes, say no  
Don' come,, come close  
Wrong

Be strong, be strong  
Don't be all wrong  
Don't wait or hesitate  
Take care, beware  
Wrong

I am wrong  
I fell great, let's celebrate  
It's sunny day, let's dance and play  
Never fear, love is here  
Never fear, love is..

Be straight, don't lie  
Don't tell, tell why  
I know what i know  
I'm no hero  
Wrong

I fell great, let's celebrate  
It's sunny day, let's dance and play  
Never fear, love is here  
Never fear, love is..

Step into my palour  
Said the spider to the fly  
And we could share a love  
That would never die

I know what i know  
I'm no hero  
Don't wait or hesitate  
Be strong  
Be wrong

I am wrong
