

I Am Wrong

NoMeansNo

I know What i know
I'm no hero
Say yes, say no
Don' come,, come close
Wrong

Be strong, be strong
Don't be all wrong
Don't wait or hesitate
Take care, beware
Wrong

I am wrong
I fell great, let's celebrate
It's sunny day, let's dance and play
Never fear, love is here
Never fear, love is..

Be straight, don't lie
Don't tell, tell why
I know what i know
I'm no hero
Wrong

I fell great, let's celebrate
It's sunny day, let's dance and play
Never fear, love is here
Never fear, love is..

Step into my palour
Said the spider to the fly
And we could share a love
That would never die

I know what i know
I'm no hero
Don't wait or hesitate
Be strong
Be wrong

I am wrong
