

## I See A Mansion In The Sky

NoMeansNo

How many notes could post man post if a post man could post notes  
Here's a clue there's nothing knew just a helluva lotta more of  
what come before  
Like shit on a stick or cum on toast, like hey lawdy mama I love  
you the most--but  
Try not to choke and try not to gag, I have your balls in a sling  
and your cock in a bag  
And if those fat bull frogs won't croak I'll give their little  
bready eyes a poke  
And if those hairy lids won't blink, I'll sit thousands years  
and think  
Of every fish that's in the sea and every bird that's in the sky  
I'll turn to the corpse of god and cry, I see a mansion in the  
sky

How many wholes can a young buck fuck if a young buck could fuck  
wholes  
There's more to see in the cunt of a flea than in the darkness  
of your soul - I know  
Who is who and what is what, what barks like a dog and quacks  
like a duck  
When the lightning cracks and the wild wind blows you can stick  
that smell right up your nose  
Damned if you do and damned if you don't, I hope those big lead  
boots can float  
On the rivers of blood raised in a flood to wash these words  
right down your throat  
Turn to the thing that's by your side, look into what you hope  
are eyes and cry  
I see a mansion in the sky

In a pure land you can see forever  
Your thoughts float like a lotus in a stream  
In a pure land rise and look around you  
Arise and awaken from your dreams  
A pure mind sees a pure land  
A pure mind sees a pure land  
A pure land, a pure land, a pure land

How much wood could a wood chuck chuck if a wood chuck could  
chuck wood  
How much good could a good man do if a good man could do good  
Carved by the fire and nailed by the rain, crafted by hope and  
love and pain  
Built of stone or built of wood, I'd build it solid if I could  
But if that leap balloon won't fly I'll piss in the wind and ho

pe to die

And if I'm dead when I awake, you'll know it was all a big mistake

I lowered the sky and raised the ground, tore from my an awesome sound

Lit the eternal torch and cried, I see a mansion in the sky
