

Old

NoMeansNo

Days Old
Days Old
Dry and rusted
Covered In Mold
OLD

Years Old
Years Old
Rusty overgrown, undermined
Alone
OLD

Stay,
Stay a little longer
Stay
Stay a little longer
Stay
Stay a little longer
By No Means
No

Years old
Years old
The faces have changed but the stories the same
Old

Stories told
Those stories told
I've herd it before
A million times told
OLD

Stay,
Stay a little longer
Stay
Stay a little longer
Stay
Stay a little longer
At no time
No

Old

Years old,
It's been years old
The faces have changed the stories the same
Old
