

## Old

NoMeansNo

Days Old  
Days Old  
Dry and rusted  
Covered In Mold  
OLD

Years Old  
Years Old  
Rusty overgrown, undermined  
Alone  
OLD

Stay,  
Stay a little longer  
Stay  
Stay a little longer  
Stay  
Stay a little longer  
By No Means  
No

Years old  
Years old  
The faces have changed but the stories the same  
Old

Stories told  
Those stories told  
I've herd it before  
A million times told  
OLD

Stay,  
Stay a little longer  
Stay  
Stay a little longer  
Stay  
Stay a little longer  
At no time  
No

Old

Years old,  
It's been years old  
The faces have changed the stories the same  
Old
