

## Stop It

**NoMeansNo**

No more. No way.  
No more. I say.  
You do it. I don't.  
You will. I won't.  
Stop it!  
That's all. The end.  
All gone. All spent.  
Enough. No more.  
Go on? What for?  
Stop it!  
No more, No use.  
No bright excuse.  
You do. I don't.  
You will. I won't.  
Stop it!  
No! More!  
Yes! Now!  
Stop it!
