Stop It

NoMeansNo

No more. No way. No more. I say. You do it. I don't. You will. I won't. Stop it! That's all. The end. All gone. All spent. Enough. No more. Go on? What for? Stop it! No more, No use. No bright excuse. You do. I don't. You will. I won't. Stop it! No! More! Yes! Now! Stop it!
