

## The end of all things

NoMeansNo

You are here  
I am here  
Fear  
Bound in fear  
We are here  
I see nothing

All is clear  
Crystal clear  
Fear  
All that's here  
Pain and fear  
I see here  
Nothing

Hear the angels sing  
This is the end of all things  
All is clear  
Nothing's here  
Fear  
What is fear?  
Nothing's here  
I see here  
Nothing

Hear the angels sing  
This is the end of all things
