**NoMeansNo** 

Do you know the meaning of? - This is love, this is love Do you know the meaning of? - This is love, this is love Do you know the meaning of? - This is love, this is love (This is love, this is lovegive me just a little shovethis is love) This is The end is nothing And you begin with nothing much It starts with something (you see something, you feel something) A gentle touch, a vicious punch Just lean on over (roll on over, please move over) You will get a little shove Over your shoulder A whisper saying "This is love, this is love-" This is First we feel And then we fall First we feel And Then we fall Baby he is crawling The world before his eyes unfolds He's hearing voices (telling stories, dirty stories) And Baby does as he is told The night is falling (Baby's crawling, voices calling) Mommy's holding Daddy close Baby hears her calling"Oh Give me just a little shove, this is love" This is First we feel And then we fall First we feel And then we fall First we feel And then we fall The Tower's falling I think the dam's about to burst The walls are falling (see them tumble, hear them rumble) The light is blinding, you go first It starts with nothing (out of nothing, into nothing) First and last, last and first There's just one question Do you know the meaning of? - This is love, this is love Do you know the meaning of? - This is love, this is love Do you know the meaning of? - This is love, this is love (This is love, this is lovegive me just a little shovethis is love) This is

First we feel And then we fall First we feel And then we fall First we feel And then we fall
