

## Tired of waiting

NoMeansNo

I got tired, tired of waiting

Tired of waiting, waiting for the news  
Tired of waiting for things to improve  
Tired of waiting, waiting for your letter  
Tired of waiting for things to get better

I got tired, tired, tired of waiting

Tired of waiting, waiting for the phone  
Tired of waiting, ere all alone  
Tired of waiting for something new  
Tired of waiting for you

I got tired, tired, tired of waiting

I got tired of waiting, waiting in line  
Tired of waiting for my clothes to dry  
Tired of waiting for his show to begin  
Tired of waiting for my ship to come in  
Tired of waiting, waiting for the bus  
Tired of waiting for my shoes to get fixed  
Tired of waiting, waiting for my cheque  
Tired of waiting for a change in the weather  
Tired of waiting the water to boil  
Tired of waitingthe paint to dry  
Tired of waiting, waiting for a sign  
Tired of waiting for my big break  
Tired of waiting for the dam to break  
Tired of waiting for the bomb to drop  
Tired of waiting and waiting and waiting  
I got tired of waiting for the end

I got tired of waiting because i found out  
There's only a fine line between  
Biding one's time and waisting one's time

Do you know what i mean?

I got tired of waiting that's all
