

Father And Son

Nomy

Look at me
I've got a question and I coming right at you
Try to see
Dont turn your back on me
(Dont turn your back on me)

Dont screm dont play or I will go away
no time for you now

dont fight be good dont run in the neighborhood
no time for you boy

Catch me when I fall and love me regardless
empty silent wall confess
Drown me poetry in fire it's useless
empty silent wall confess

Look at me can you what I wanna be
I'm better than you you know it to

Look at me can you what I wanna be
I'm better than you (I'm better than you)

Oh father Believe me You are holding me back from what I want t
o be
no time for you now

Oh father Believe me You are holding me back from what I want t
o be
no time for you boy

Catch me when I fall and love me regardless
empty silent wall confess
Drown me poetry in fire it's useless
empty silent wall confess

Catch me when I fall and love me regardless
empty silent wall confess
Drown me poetry in fire it's useless
empty silent wall confess
