## **Move Now**

No control of Nothing to hold Cant be sold by anyone Its everywhere Its stealing the air you breath No more wasting time i have to Move Now No more killing time I have to stop my hands from shaking Stop my time from wasting

What about you What about me Having control its everything Youre in my way Move Now What about you What about you What about me Losing control of everything Show me the right way Move Now

No control of Nothing to hold Cant be sold by anyone Its everywhere Its stealing the air you breath No more dealing No more feeling Move Now No more tasting No more wasting All my time Waiting for a bell

What about you What about me Having control its everything Youre in my way Move Now What about you What about me Losing control of everything Show me the right way Move Now

No control I'm stuck in this Becoming my home No twenty-one guns Shot one by one Move Now Causes damage Takes advantage of me With no plan of action No twenty-one guns Shot one by one

## Nonpoint

Move Now

What about you What about me Having control its everything Youre in my way Move Now What about you What about you What about me Losing control is everything Show me the right way Move Now
