Sittin' on your ass all day thinkin' about your hangover and the party you left your fuckin' keys at

and had to beg for a ride from a stranger that I never met befo re he acted

so friendly that I had to take the ride

but for some reason he resembled that guy wanted for a robbery and beatin' on his kid "you remind me of my stepson" he chuckle s with a grin.

What was that move that they taught in self-defense

where you block the killer's knife move with some confidence the signal

when you're trapped inside a moving car I wonder if he'll drive real far.

What a day, you should've stayed home shootin' the breeze all d ay,

you should think next time before you start to play, I wonder what will happen today.

Rub your eyes from no sleep this week tap your heels home then fall asleep.

Sittin' around looking for a fight kinda' pissed off how I'm tu rnin'

My life up-side down from insecure insecurities makin' up My mind through old hypocrisy up and out of harms way down cause I want to be there here because you want Me not because you're caught in My stare.

What was that move that they taught in self-defense

where you block the killer's knife move with some confidence the signal

when you're trapped inside a moving car I wonder if he'll drive real far.

What a day, you should've stayed home shootin' the breeze all d ay,

you should think next time before you start to play, I wonder what will happen today.

Rub your eyes from no sleep this week tap your heels home then fall asleep,

asleep in bed you'll do something tomorrow instead.
