

Widowmaker

Nonpoint

Think this is easy for me? But I chose this life
I chose it like I choose to breathe
But I want this life for you and me
So I'm risking everything that I believe
And hope that it might
Change things. Explain things

I gotta get this pain to leave me now
It will get better somehow

Don't invest your heart too much
Cus one day I'm going to break it
See I have plans to die young
I'm the widowmaker

So don't invest your heart too much
Cus one day I'm going to take it
And bring it to the only place that you can't go yeah
I'm the widowmaker

See it's hard for me to explain
The game and the rules have changed
And I don't think you wanna play this game anymore
The future for a person like me is always the same
The rules haven't changed for me
It's a game you can't win you sure you wanna play?

Only thing I know is you can't win
So why even begin?

Don't invest your heart too much
Cus one day I'm going to break it
See I have plans to die young
I'm the widowmaker

So don't invest your heart too much
Cus one day I'm going to take it
And bring it to the only place that you can't go yeah
I'm the widowmaker

Fall I might not be there for you
Yeah if you fall I might not be there for you

Don't invest your heart too much
Cus one day I'm going to break it
See I have plans to die young
I'm the widowmaker

So don't invest your heart too much
Cus one day I'm going to take it
And bring it to the only place that you can't go yeah
I'm the widowmaker
