Come Away With Me

Norah Jones

Come away with me in the night Come away with me And I will write you a song

Come away with me on a bus

Come away with me where they can't tempt us

With their lies

I want to walk with you
On a cloudy day
In fields where the yellow grass grows
knee high
So won't you try to come

Come away with me and we'll kiss On a mountain top Come away with me And I'll never stop loving you

And I want to wake up with the rain Falling on a tin roof
While I'm safe there in your arms
So all I ask is for you
To come away with me in the night
Come away with me
