

Even Though

Norah Jones

Something by the way he touched me was so slow
The way he'd put his arms around me
Even though I'm feeling lonely
I'm feeling lonely

Don't understand the words he said made me do wrong
But now there is nothing else in my head
And though it's strong I wish he'd leave me alone
I wish he'd leave me

'Cause I know trouble will follow
But I have to go, I have to go

'Cause I know trouble will follow
But I have to go, but I have to go

He makes me think that I don't know me
So unsure when I remember all the things he showed me
And I want more, I'm feeling lonely
Oh, I'm feeling lonely
