

# Once I Had a Laugh

Norah Jones

Once I had a laugh  
And when I'm older  
I will not forget  
That once I had a laugh  
And when I'm tired  
I will not forget  
That once I had a laugh  
And when I'm fallin'  
I will not forget  
That once I had a laugh  
Ooh...

Once I had a laugh  
And now I'm older  
But I will not forget  
That once I had a laugh  
And now I'm fallin'  
But I will not forget  
That once I had a laugh  
I hear you callin'  
But it's not over yet  
Cause once I had a laugh  
Ooh...  
I had a
