

# One Flight Down

Norah Jones

One flight down  
There's a song on low  
And your mind just picked up on the sound  
Now you know you're wrong  
Because it drifts like smoke

And it's been there p-l-a-ying all along now you know,  
Now you know

The reeds and brass have been weaving  
Leading into a s-i-n-gle note

In this place  
Where your arms unfold  
Here at last you see your ancient face  
Now you know  
Now you know  
The cadence rolls in broken  
Plays it over and then goes  
One flight down  
There's a song on low  
And it's been there playing all along  
Now you know  
Now you know
