The Nearness of You

Norah Jones

Why do i just wither and forget all resistance When you and your magic pass by My heart's in a dither dear When you're at a distance But when you are near, oh my...

Its not the pale moon that excites me That thrills and delights me,
Oh no
Its just the nearness of you

its just the hearness of you

It isn't your sweet conversation That brings this sensation, Oh no Its just the nearness of you

When you're in my arms
And I feel you so close to me
All my wildest dreams
Come true

I need no soft lights to enchant me
If you'll only grant me
The right
To hold you ever so tight
And to feel in the night
The nearness of you.
