

# Back Home Again

Norman Greenbaum

Up in the morning at six o'clock  
Rooster's crowin'  
Since I been gone, baby's learned to talk  
She don't need showing, back home again  
And everything is alright  
Back home again  
And I'm feelin' so good 'cause I'm  
Back home again

Dog is chasin' the neighborhood cat  
Cat's a-hissin'  
Mary-Lou in her favorite slacks  
With the button missin', back home again  
And everything is alright  
Back home again  
And I'm feelin' so good 'cause I'm  
Back home again

On the road with a Top 10 hit  
Has been excitin'  
But to get home to my wife and kid  
Is very invitin', back home again  
And everything is alright  
Back home again  
And I'm feelin' so good 'cause I'm  
Back home again
