

Even Me

Norman Hutchins

Even me Lord, even me Lord.
Even me Lord, even me Lord.

Let some drops fall,
Let some drops fall,
Let 'em fall fresh on me.

Somebody needs a blessing Lord,
Somebody needs a word from You,
Somebody needs a healing touch,
Somebody's praying for a breakthrough.
Let some drops fall fresh on me,
Let it fall fresh on me.

Even me Lord, even me Lord.
Even me Lord, even me Lord.

Let some drops fall,
Let some drops fall,
Let 'em fall fresh on me.

Shower down on me, showers of blessings.
Shower down on me, showers of blessings.

Shower, shower, shower,
Showers of blessings.

Down from heaven,
Shower down on me,
Showers of blessings.

Shower, shower,
Shower, shower.
