

# I Know You're Gonna Make It

Norman Hutchins

So many times I laid awake at night.  
Wondering about tomorrow will it be alright?  
Will it be sunshine? Will it be rain?  
Will it be heartaches? Will it be pain?  
I don't know what you're going through;  
this is a message to encourage you.

Gotta square your shoulders,  
Then dry your tears,  
No room for doubt,  
Say goodbye to your fears,  
You're more than a conqueror,  
You were born to win,  
things are gonna get better,  
I believe that they will!

IIII- I know you're gonna make it,  
IIII-III-III know you're gonna make it.

He never said your way would be easy, and that you wouldn't have some ups and downs.  
But he made you a promise if you just call, he'll be right there to help you through it all.

Things are gonna get better I believe that they will!

I believe that they will! IIII-I know you're gonna make it!
