

I Really Love You

Norman Hutchins

I really love you
I really love you
Because you first loved me
I really love you, Yes I do

How can you love me?
Knowing all the things I've done
And then you showed me
When you gave your only Son
I really love you
I really love you, Yes I do

You are the air breathe
You are the song I sing
No one can compare
To all the joy You bring, you bring

Oh yes I love you
With all my heart
Oh yes I love you
With all my soul
Because you first loved me
I really love you, Yes I do
