

## I Really Love You

Norman Hutchins

I really love you  
I really love you  
Because you first loved me  
I really love you, Yes I do

How can you love me?  
Knowing all the things I've done  
And then you showed me  
When you gave your only Son  
I really love you  
I really love you, Yes I do

You are the air breathe  
You are the song I sing  
No one can compare  
To all the joy You bring, you bring

Oh yes I love you  
With all my heart  
Oh yes I love you  
With all my soul  
Because you first loved me  
I really love you, Yes I do
