

Blow out

North Mississippi Allstars

Im a time bomb tickin
bout to explode
the one outside
beatin up the road
god knows
I'm gonna keep it rollin'
till I blow it out

Come on use me
let me use you
come on ,use it up
brothers now takem off
babys gonna tear it up

The night is ours
and the tank is full speed
come on roll it up
light it up pas it on
dont smoke it up

Gimme a chance
gimme a shot of ?
Ive been runnin hot
I'm overheatin
baby gonna ? strut
