

Mud

North Mississippi Allstars

Memphis, Tennessee is where I was born
Mississippi is where I was grown
into a man age 25
Jumpin' in the mud, glad to be alive

(Alternate live lyrics:

Well back on the farm where I was born
My barnyard where I was grown
Out in the country down in the sticks
Jumpin' in the mud I would get my kicks)

Beat yo' feet(s) in the Mississippi mud!

Well if you don't know I ain't gonna tell ya
Well if you don't know I ain't gonna tell ya
From now on your such a fellow
Beat yo' feet(s) in the Mississippi mud!

I'm in the mud and the mud's in me.

Well if you don't know I ain't gonna tell ya
From now on your such a fellow
Words don't count in a time like this
Now you know just what I'm talkin' about.

Beat yo' feet(s) in the Mississippi mud!
