See you, it's time to go
Good day to die, time to say "no"
Fuck you, it's time to go
And arrange one hell of a show

See you, you'll hear me say
My gun today will stop the play
Fuck you, it's the only way
I've seen the road, no, I won't stay

See you suckers
Fuck you fuckers
See you suckers
Fuck you fuckers

See you, it's time to go
My time is up, don't you know
Fuck you, it's time to go
I will give you one hell of a show

See you suckers
Fuck you fuckers
