

## Dream

Norther

I saw a dream that can't be real  
It takes me to my mind  
Now look inside this evil dream of mine  
I left you dying in the rain  
Now you feel my fucking pain  
You know I am insane  
but in the end it's all the same

In this dream I am only real  
Take my hand and fly with me  
again tonight  
Far away in the shining moonlight  
we are forever and

Now you are dead and gone  
I won't cry no more for you  
I don't know why I'm going on  
Now I am turning back for you  
you are dead, it's all so true  
After all this dream was real  
now it's only pain I feel
