

Spirit in Darkness

Northland

I am alone
Surrounded by shadows
And
My pulse is fading
My blood is freezing
Death will take me soon
The voice in my head keeps whispering words of what I am *inside
Step by step I sink into the unknown
Madness can't get out of my head

A lonely soul, Spirit In Darkness
Fights and cries alone
His eyes are closed
His memories start painting
For tears straight from his heart
Follow the (???)
