

# When Angels Cry

Nosferatu

Pain begins... now!

Tonight will be different!

I am... ripper, tearer, slasher, gouger I am the teeth in the darkness, the talons in the night Mine is strength and lust and power! SHOW YOURSELF!

I am forever

Why's this pain within me? Scalding down my spine Silently, it kills me The endless hell is here

Save me from this nightmare I am passing graves of the unknown When demons rise, his rage comes through When angels cry, he comes for you...

Tonight will be different!

Pain begins... now!

I am the teeth in the darkness, the talons in the night Mine is strength and lust and power! SHOW YOURSELF!

If there is hell... there is me! Without me... there is no pain

As long as dreams continue... Nightmares will always exist
