

Hanging

Nothing But Thieves

The blue one is a little chiller,
Use it to take the edge off a touch.
Pink one is a buzzkiller,
But she stops me from feeling too much.
This place stays the same,
What we gonna do in the pouring rain?
Yoo hoo Mary Jane,
Are you gonna come for a dance today?

Hanging by a thread,
She said
Where do you wanna go? (3x)
Some days never end,
Depends
Where do you wanna go? (3x)

It's true it can't get us down forever,
You say
"But hell I swear I don't know."
I threw my keys into the river
Cos I didn't wanna go home.
Goodbye, don't explain.
I don't wanna know why anyway.
Yoo hoo Mary Jane,
Are you coming round for a dance today.

Hanging by a thread,
She said
"Where do you wanna go?" (3x)
Some days never end,
Depends
"Where do you wanna go?" (3x)

Lets dive into this hole together, like this
And hope we never come out.

Hanging by a thread,
She said
"Where do you wanna go?" (3x)
Some days never end,
Depends
"Where do you wanna go?" (3x)
