Sorry

Nothing But Thieves

You might kill me with desire Wind me tighter than a wire It's something that you do to me I run away like mercury And I know you think it's rough When you're tryna patch us up And I say honey what is love? You just say I drink too much

Maybe I'm defective Or maybe I'm dumb I'm sorry, so sorry for what I've done Maybe I'm bad natured Or maybe I'm young I'm sorry, so sorry for what I've done

And I'm the t-shirt that I wear I'm take the thorns out of my hair I broke your heart so carelessly But made the pieces part of me And now it hurts what we've become 'Cause you taught me how to love It's me who taught you how to stop And you just say I drink too much

Maybe I'm defective Or maybe I'm dumb I'm sorry, so sorry for what I've done Maybe I'm bad natured Or maybe I'm young I'm sorry, so sorry for what I've done

I've waited for this I'm ready for it I've waited for this I'm ready for it I've been waiting so long

I've waited for this I'm ready for it I've waited for this I'm ready for it I've been waiting so long

Maybe I'm defective Or maybe I'm dumb I'm sorry, so sorry for what I've done Maybe I'm bad natured Or maybe I'm young I'm sorry, so sorry for what I've done
