

# I Wish I Was A Communist

Nothingface

You know if you were exorcised  
Demoralized. It'll all be right.....yeah!  
I'll grab my pen and write about  
Kryptonite, so you can feel all right

You can build a bomb of lies  
That doesn't hide who you are inside  
You motherfuckers, it's all about shit

The bullshit runs off your tongue like spit  
The psychotropic demi-god

It seems like you've been industrialized  
Colorblind or just sold out yeah!  
I never thought it would be like this  
A million screaming mouths  
A million pounds of shit you motherfuckers  
All you fuckers just waste our time  
Talking heads on sticks  
Sucking corporate dicks  
You motherfuckers  
It's all about shit

The bullshit runs off your tongue like spit  
The psychotropic demi-god

We'll always be the same  
No matter who you are  
(I hate this.....I hate this....I hate this...)
