

## Triumph And Loss

Noumena

Putrid and foul  
Gone and wasted inside out  
Putrid and foul  
Gone and wasted

This is an apocryphon

Concealed inside me  
Concealed inside, a scenery  
Concealed inside me  
Concealed inside, a scenery

Concealed for the very first time  
Concealed inside, for a reason why  
Concealed for ages to come  
This scenery of triumph and loss

Regret, remorse  
This is hatred inside out  
Regret, remorse  
This is hatred outside in

This is an apocryphon
