

Summer Of Love (2006 Re-Touch)

Novaspace

Verse 1:

Your magic blue eyes
I never forget
When you looked at me
In the summer of love
We've been always together
We were free

Bridge:

But where are you now
I can't find you in my dreams
The summer is coming
I feel so alone I can't believe

Chorus:

Don't wanna remember
The last summer of love
Don't wanna remember
The Summer of broken hearts
Don't wanna remember
The last summer of love
Don't wanna remember

Verse 2:

I'm only thinking about you
It hurts so bad
Cause you're still in my mind
I will never forget you
It was a summer of love
You were by my side

Bridge:

Where are you now
I can't find you in my dreams
The summer is coming
I feel so alone I can't believe
