

# Summer of Love

Novaspace

Don't wanna remember

Your magic blue eyes  
I never forget, when you looked at me  
In the summer of love  
We've been always together, we were free

But where are you now  
I can't find you in my dreams  
The summer is coming  
I feel so alone I can't believe

Don't wanna remember  
The last summer of love  
Don't wanna remember  
The summer of broken hearts  
Don't wanna remember  
The last summer of love  
Don't wanna remember

I'm only thinking about you  
It hurts so bad, cause you're still in my mind  
I will never forget you  
It was a summer of love, you were by my side

Where are you now  
I can't find you in my dreams  
The summer is coming  
I feel so alone I can't believe

Don't wanna remember  
The last summer of love  
Don't wanna remember  
The summer of broken hearts  
Don't wanna remember  
The last summer of love  
Don't wanna remember  
Summer of love

Don't wanna remember  
The last summer of love  
Don't wanna remember  
The summer of broken hearts  
Don't wanna remember  
The last summer of love  
Don't wanna remember

Don't wanna remember
