

# Your Eyes

Novaspace

Your eyes opened wide as I looked your way  
Could't hide what they ment to say  
Feeling lost  
In a crowdy truth  
It's too soon  
For a new love

When you smile you're eyes show you're heart  
Lost inside a soon turnabove  
Feeling alone with people around  
True love is so hard to find now  
You think you're so misunderstood  
I'd explain if only I could  
Something tells me this time it's real  
The way that I feel

The rise like the blue in the summer skies  
Caught my games as I looked a crowds  
Feeling lost in a magic maze  
It's too soon for a new love

You can't hide that look in your eyes  
Opened wide you seem so surprised  
Searching around for somebody new  
True love is so hard to find now

When you smile you're eyes show you're heart  
I feel while it's falling above  
Don't you see the way that I feel  
My loving is real

True love is so hard to find now  
You think you're so misunderstood  
I'd explain if only I could  
Something tells me this time it's real  
The way that I feel

Your eyes opened wide as I looked your way  
Could't hide what they ment to say  
Feeling lost  
In a crowdy truth  
It's too soon  
For a new love

When you smile you're eyes show you're heart  
Lost inside a soon turnabove  
Feeling alone with people around  
True love is so hard to find now  
You think you're so misunderstood  
I'd explain if only I could  
Something tells me this time it's real  
The way that I feel

When you're lost you're eyes show your heart  
I should like to know I'm above  
When you're eyes shine  
I open your mind

For all of the times
