

It's funny how I found
I'm still king of the hill
Where nobody dares to wander

I opened up my heart
To lighten up the load
And getting out from under

And I don't know what it is that they're saying
So I don't know if it's true

Bangor weighs down on you

I opened up my eyes
Straightened up the words
But nobody seems to wonder

And I don't know what it is that is stinging
and it might as well be true

Bangor weighs down on you

Way down
