

She just left me oh,
And there's no-one here
That I want to change her for
And I was good for her,
Still she says she don't know
Who she adores

Where did we go wrong?
Was it somewhere along this trip to Miami?
Where did we go wrong?
Was it somewhere along this trip to Miami?

Well I don't agree,
That you're better off without
Sir Raymond, not me
'cause we were good for you,
Still you say you don't know
With whom you should be

Where did we go wrong?
Was it somewhere along this trip to Miami?
Where did we go wrong?
Was it somewhere along this trip to Miami?

Why should we bother?
I don't need no other to be
On myself
Why should I bother?
I don't need no other, no no

So, where did we go wrong?
Was it somewhere along this trip to Miami?
Where did we go wrong?
Was it somewhere along this trip to Miami?
