Ah Lucille  
Baby do your sister's will  
Ah Lucille  
Baby do your sister's will  
Well you went up and married  
But I love you still

Ah Lucille  
Baby satisfy my soul  
Ah Lucille  
Baby satisfy my soul  
Well you know I love baby  
I'll never let you go

Babe I woke up this morning  
Lucille was not inside  
I asked her friends about her  
But all their lips were tight

Lucille  
Please come back where you belong  
Well I'm talking to you baby  
I'll never put you on  
Ah! Wha'!

Well Lucille  
Baby do your sister's will  
Oh Lucille  
Yeah baby do your sister's will  
Well you went up and married  
But I love you still
