Radio

An insidious form  
Helping shape thoughts  
Making You conform,  
Programming Music  
Easy Listening  
Helps you to achieve  
That moronic grin  
Playing you  
Regurgitated Pap  
Selling products  
That are mostly  
Crap  
Rarely hearing music  
You want to hear  
It has an effect  
Over all these years

Why don't you think for yourself?  
Live in this self made Hell

Television

The idiot tube  
Helps to raise our  
Children as fools  
Watch the news  
They only want to see  
Our awareness is  
Limited by network  
VP's  
Moronic sit-coms  
One sided news  
Alter your feeling  
Give you conformist  
Views  
Why can't you get that  
Garbage out of your  
Head  
You're better off to  
Read a good book  
Instead

Why Can't You Think For Yourself?????  
Live in this self made Hell

Newspapers

What do they say?  
Not much I think  
When they want  
School kids to pray  
Getting some facts from  
Some daily news  
You hate the system  
But adhere to its views  
Blaming the dead  
Cause they can't  
Complain

Shielding officials  
Holding them  
Above the blame  
You better wake up and see  
What's plain to see  
Or end up a willing part of the machine

Take that Liberals and Conservatives!
