

# The Victory

## Number One Gun

Time always wins me  
Over when I am tired  
I will not allow this to  
Be me, all that it can be

You can't kill me, oh

If I could buy anything,  
I would buy all the times  
That got hard and got tough  
Not enough to break me

All I want is to reach out for all of you, all of you  
It's the simple things that make me, and take me, all the way

All I need to get by  
Is the death of me, all that can not  
Anything through you  
I can tell what I wanted

All I need to get by  
Is the death of me, all that can not  
Anything through you  
I can tell what I wanted  
(I can tell what I wanted)

All I need to get by  
Is the death of me, all that can not  
Anything through you  
I can tell what I wanted
