

The Victory

Number One Gun

Time always wins me
Over when I am tired
I will not allow this to
Be me, all that it can be

You can't kill me, oh

If I could buy anything,
I would buy all the times
That got hard and got tough
Not enough to break me

All I want is to reach out for all of you, all of you
It's the simple things that make me, and take me, all the way

All I need to get by
Is the death of me, all that can not
Anything through you
I can tell what I wanted

All I need to get by
Is the death of me, all that can not
Anything through you
I can tell what I wanted
(I can tell what I wanted)

All I need to get by
Is the death of me, all that can not
Anything through you
I can tell what I wanted
