

2 Weeks In Dizkneelande

Nuno Bettencourt

You're not my father
You're not my friend
You're just a stranger fillin' in

Convince my family
Good kid I am
You'll take me down to dizkneelande

Help me
Why aren't we flyin'
You'd rather drive
Hotels are fun along the way

You scrub me wet
You dry me clean
We're off to spend the day with mickey

Help me
Come back for dinner
Ice cream dessert
Sit on your lap and watch the tube

Nighttimes for grownups
Bathe me to bed
You scrub me, rub me, rub me
Tuck me in and we pretend

Help me
