

Confrontation

Nuno Bettencourt

Jesus christ was a very kind man
He gave his life for all our sins
Did he have to
I guess he had to

Abe lincoln was a very brave man
He took a chance, freed the slaves
Did he have to
I guess he had to

Do you believe in me

Cause if you don't I'm gonna leave you

Super man was a very strong man
He risked his life with kryptonite
Did he have to
I guess he had to

Robin hood was a generous man
Stole from the rich, fed the poor
Did he have to
I guess he had to

Do you believe in me

Cause if you don't I'm gonna leave you
