He gave his life for all our sins  
Did he have to  
I guess he had to

He took a chance, freed the slaves  
Did he have to  
I guess he had to

Do you believe in me

Cause if you don't I'm gonna leave you

Super man was a very strong man  
He risked his life with kryptonite  
Did he have to  
I guess he had to

Robin hood was a generous man  
Stole from the rich, fed the poor  
Did he have to  
I guess he had to

Do you believe in me

Cause if you don't I'm gonna leave you
